

It's Time to Enroll in Your District's Retirement Benefits!

FSRBC makes retirement benefits simple.

Dear **[First Name Last Name]**,

The Florida School Retiree Benefits Consortium (FSRBC) is an extension of your District's benefit offerings for 65 and older. Medicare-eligible retirees have access to high-quality Medicare **Medical** as well as **Dental** and **Vision** plans tailored especially for those age 65 or older, who have retired from the Florida public school system. We know there is a lot to consider when it comes to your healthcare benefits in retirement, and we're here to help!

Why look at Additional Benefits Outside of Medicare A & B?

While Medicare Parts A and B help cover most hospital and medical costs, there are **deductibles** and **coinsurances** that Retirees have to pay. Plus there are certain medical needs that are not covered by Medicare A and B like **prescription drugs** and **hearing aids!** You can buy additional insurance through FSRBC's carrier partners to help **cover the gaps in Original Medicare**. Plus FSRBC offers **Dental** and **Vision** plans for you to choose from!

Benefits of FSRBC:

- Plans available through FSRBC are generally richer than the plans available in the general marketplace.
 - Plans have a much richer drug benefit and a broader network.
 - Integrated formulary options giving retirees access to prescriptions.
 - Medicare Advantage with Prescription Drug (MAPD) plans start at \$0 monthly premium.
 - MAPD plans with copays through the GAP phase.
 - Variety of plan options to meet your health and financial needs, which include.
- Enhanced concierge services with weekly virtual classroom sessions and one-on-one educational sessions with FSRBC staff, who provide unbiased education to Retirees on the complicated topic of Medicare with no pressure to enroll.
- Enhanced payment options with FRS Pension deductions, ACH Bank draft and Check
- Retirees' health insurance subsidy dollars are not considered taxable income by FRS if you have your premium dollars deducted from your pension check.

Next Steps:

Enroll in Medicare Parts A & B

Enroll in Medicare Parts A and B online at [medicare.gov](https://www.medicare.gov). Enrollment for Original Medicare (Parts A and B) can be completed up to 3 months prior to your 65th Birthday. You must be enrolled in both parts of Original Medicare prior to enrolling in a Medicare Medical plan through FSRBC.
